DONATE!!!

Homeowners

Think of ReNew when remodeling, redecorating or doing your spring house cleaning. Usable items in good condition can be donated to ReNew.

Contractors and merchants

ReNew can turn outdated or unused merchandise into dollars for providing additional affordable housing for qualified families in Dickinson County. Working with other agencies and businesses this housing will remain affordable within the Lakes Community Land Trust. Contractors and merchants may participate by providing materials from completed job sites or by simply clearing out inventory that is stacking up in warehouses, thereby freeing up valuable space. All donations will receive a receipt for the value of the merchandise. Individual donations are welcome. For large items or amounts please call for a drop off or pickup appointment.

For additional information please call ReNew at 712 336-1069. Donations drop-offs may be scheduled at the same number or email to:
